**WHEN:** Information is current as of 7 July 2007.

WHY: This work is presented to the town of Sunapee, NH for the benefit of genealogists and others seeking detailed information regarding Sunapee burials at this location.

NOTE: The following 7 individuals are identified either within the Sunapee Town Report for the years listed or within Sunapee Cemetery Transcriptions by Ethel Norris as buried within this cemetery. Neither markers nor locational information have been found regarding these burials and, as a result, entries for these individuals are **not** included in this grouping.

Researchers are urged to review the transcription information recorded by both Ethel Norris (ca. 1918, with additional genealogical information) and Joseph Hill (1989) also available at the Abbott Library, Sunapee.
